North Shore Water Reclamation District

Lawn Installation Credit Program

Pursuant to its Policy on Water Usage Credits, the North Shore Water Reclamation District provides for a lawn installation credit for all customers who either install sod or seed an area exceeding 200 square yards. Credits are not available for sod or seed applied to an area of less than 200 square yards nor are credits available for the planting of trees, bushes, shrubs, plants, flowers, etc. The maximum lawn installation credit available will be reduced by credits that will be automatically applied through the residential summer credit program.

Customer Information

I hereby apply to the North Shore Water Reclamation District for a lawn installation credit to my user charge account pursuant to the District's Lawn Installation Credit Program.

I understand that the account is subject to all of the District's ordinances, rules and policies including but not limited to *An Ordinance Relating to Sewers and Sewer Systems*, *An Ordinance Establishing a User Charge System*, the *Ordinance Establishing Fees & Charges* and the *Policy on Water Usage Credits*.

I certify that the following information is accurate. If it is later determined that this information is inaccurate, I understand that I may be fully liable for payment of any credits granted under this program as well as additional fines, penalties and cost recoveries.
